

DO YOU LIVE IN AN EVACUATION ALERT AREA?

Be Prepared & Make a Plan.

If you work away from your property it is important to be prepared in case an Evacuation Order is enacted while you are away from home.

- Keep your grab-and-go bag with you and ask your employer if there is a secure place you can store it while at work.
- Have important documents with you. If that is not possible store them at a location outside the Alert Area or have them backed up digitally.
- Have a plan for anyone that is at home. Do they have access to a vehicle? Are they able to leave the area in case of an Evacuation Order? Can someone in your household work from home? If you are part of a carpool will a member of your household be able to use your vehicle?
- Pre-arrange a meeting/reunification location for all members of your household that is outside of the Alert Area.
- Have your home ready, keep grass trimmed, gutters clear of debris, move firewood and propane tanks away from your home.
- Move RVs, boats, etc to a location outside of the Alert Area.
- Have a plan in place for your pets. Can a neighbour take them in the event of an Evacuation Order? Can they be housed outside the Alert Area with friends or family?
- Store important and sentimental items somewhere outside of the Alert Area.

Remember

The Alert Stage is ***YOUR WARNING.***

An ***EVACUATION ORDER*** can come at anytime and you will not be able to enter an Order Zone as the priority is to get people safely out.

STORAGE FACILITIES

The following list is by no means an exhaustive list of facilities in the area. Residents are encouraged to plan in advance what storage facility they want to use.

CRANBROOK

Ace Mini Storage

250-489-4640
