

THOUGHTS ON THE FUTURE.

WE SINCERELY HOPE THAT WE AND OUR CHILDREN CAN ALTER OUR PRESENT WORLD SO OUR VISIONS OF THE FUTURE MAY BE FULFILLED. TO THAT END, WE OFFER THE FOLLOWING:

May no one die a warrior's death.
May no one starve for lack of bread.
May good prevail over evil and greed.
May nature and man harmonize their need.
May men be free to choose their fate;
Free from colour and religious hate.
May all nations embody the world as one,
So the spirit of man can rise with the Son.
May music fill our minds and souls,
Opening our senses to thoughts untold.
May faith and hope help man to see,
That we are all one -- Humanity.
Time will tell if these thoughts will be;
Think of the world we all would see!
